SUMMARY

Python developer with hands-on experience in full-stack web development (Flask, Vue.js) and building scalable systems using SQLAlchemy, Redis, and Celery. Basic exposure to machine learning and deep learning concepts.

EDUCATION

Bachelor of Technology in Computer Science	2023 - Present
Madhav Institute of Technology and Science, Gwalior, M.P. CGPA: 8.21	
BS in Programming and Data Science, IIT Madras	2025 - Present

PROFESSIONAL EXPERIENCE

Intern, Tech Mahindra	Jun 2026 - Present
Noida, India	
Working in the CPG and Retail domain, contributing to client projects and business solutions	

TECHNICAL SKILLS

Languages: Python, Java, JavaScript, SQL

Web Development: HTML5, CSS3, Flask, REST APIs, JWT Authentication, Vue.js, Redis, Celery

Databases: MySQL

Developer Tools: Linux, Git, GitHub, VS Code, Jupyter Notebook, Google Colab, Streamlit, Docker (basic), Vercel

Basic Knowledge: Scikit-learn, TensorFlow, Keras, OpenCV, CNN, ResNet50, EfficientNet

PROJECTS

Placify - Placement Application Portal	Feb 2026 - Mar 2026
<i>Flask, SQLAlchemy, Vue.js, CSS, Redis, Celery</i>	
- Designed scalable relational database schema (SQLAlchemy) for users, jobs, and applications - Integrated Redis for caching and Celery for automated daily reminders and monthly reports - Developed admin-controlled company approval system with responsive UI	

Deepfake Detection System	Feb 2026 - Apr 2026
<i>Python, TensorFlow, Streamlit</i>	
- Built a deep learning system (CNN, ResNet50, EfficientNet) to detect deepfakes in facial images using data augmentation and comparative model evaluation - Evaluated performance using accuracy, precision, recall, F1-score, and confusion matrix - Developed a Streamlit web interface for real-time image upload and prediction	

RELEVANT COURSEWORK

Data Structures, Algorithms Analysis, Operating Systems, Computer Networks, Data Mining, Database Management, Software Engineering, Computer Architecture, Information Security

EXTRACURRICULAR ACTIVITIES

Member, Girls Grievance and Gender Sensitization Cell	2023 - Present
Core Member, The Institution of Engineers (India)	2023 - Present
